

ORDINANCE NO. 2016-13

An ordinance of the Town of Whitestown, Indiana, authorizing the issuance of general obligation bonds for the purpose of providing funds to pay a portion of the costs of certain public improvement projects within the Town; providing for the payment of such bonds from *ad valorem* taxes to be levied upon all of the taxable property located in the Town; providing for the safeguarding of the interests of the owners of said bonds; other matters connected therewith, including the issuance of notes in anticipation of bonds; and repealing ordinances inconsistent herewith

WHEREAS, the Town of Whitestown, Indiana (the "Town"), acting pursuant to Indiana Code 36-5-2-11, as amended, and other applicable provisions of the Indiana Code (the "Act") (all references herein to the Indiana Code are designated hereafter as "IC" followed by the applicable code section or sections), is authorized to issue bonds to procure moneys to be used in the exercise of the powers of the Town and for the payment of Town debts; and

WHEREAS, the Town Council of the Town (the "Council") has considered undertaking certain public improvement projects in the Town including but not limited to certain street improvements, the purchase of certain vehicles for the Town and other related public improvement projects (the "Projects") and hereby determines that it would be of public utility and benefit and in the best interests of the citizens of the Town to proceed with the construction of the Projects and the financing of a portion thereof through the issuance of general obligation bonds of the Town and, if necessary, bond anticipation notes (the "BANs"); and

WHEREAS, based upon the advice of the Town's financial advisor, the estimated costs of the Projects, including engineering, financial advisory and legal fees, is in the estimated amount not to exceed One Million Nine Hundred Ninety-Five Thousand Dollars (\$1,995,000); and

WHEREAS, the Projects and the financing by the Town of the Projects, together with expenses incidental thereto, are necessary, are authorized by the Act and will be of public utility and benefit to the Town and its citizens; and

WHEREAS, the Council finds that it does not have sufficient funds available or provided for in the existing budgets and tax levies that may be applied to the cost of the Projects, and that it is necessary to finance such remaining cost by the issuance of general obligation bonds, payable from *ad valorem* taxes to be levied upon all of the taxable property located in the Town, in an aggregate principal amount not to exceed One Million Nine Hundred Ninety-Five Thousand Dollars (\$1,995,000,000) and, if necessary, bond anticipation notes (the "BANs"); and

WHEREAS, the Town desires to authorize the issuance of BANs hereunder, if necessary, payable solely from the proceeds of general obligation bonds issued hereunder, and to authorize the refunding of said BANs, if issued; and

WHEREAS, Section 1.150-2 of the Treasury Regulations on Income Tax (the “Reimbursement Regulations”) specifies conditions under which a reimbursement allocation may be treated as an expenditure of bond proceeds, and the Town intends by this ordinance to qualify amounts advanced by the Town to the Projects for reimbursement from proceeds of the BANs or the bonds in accordance with the requirements of the Reimbursement Regulations; and

WHEREAS, the Council has been advised that the total cost of the Projects authorized herein will not exceed the lesser of: (i) \$2,000,000; or (ii) the greater of (a) one percent (1%) of the total gross assessed value of property within the Town on the last assessment date, or (b) \$1,000,000, and, therefore, the bonds will not be issued to fund a controlled project as defined in IC 6-1.1-20-1.1; and

WHEREAS, the bonds to be issued hereunder, together with the outstanding principal amount of previously issued bonds which constitute a debt of the Town, will be no more than two percent (2%) of one-third (1/3) of the total net assessed valuation of the Town at the time of delivery of the bonds; and

WHEREAS, the bonds to be issued hereunder are to be issued subject to the provisions of the laws of the Act, as amended, and the terms and restrictions of this ordinance; and

WHEREAS, the Council now finds that all conditions precedent to the adoption of an ordinance authorizing the issuance of said general obligation bonds and BANs have been complied with in accordance with the provisions of the Act;

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF WHITESTOWN, INDIANA, THAT:

Section 1. Authorization of Projects. The Projects are hereby approved. The estimated costs for the construction of said Projects shall not exceed One Million Nine Hundred Ninety Five Thousand Dollars (\$1,995,000), plus investment earnings on the BAN and bond proceeds, without further authorization from the Town Council.

Section 2. Issuance of BANs. The Town shall issue, if necessary, its BANs for the purpose of procuring interim financing to apply on the cost of the Projects, including reimbursements to the Town, capitalized interest, if necessary, and to pay cost of issuance. The Town may issue its BANs in an aggregate principal amount not to exceed One Million Nine Hundred Ninety Five Thousand Dollars (\$1,995,000) to be designated “General Obligation Bond Anticipation Notes, Series 2016”. The BANs shall be sold at not less than 99% of their par value, numbered consecutively from 1 upward and shall be in multiples of (i) \$5,000 or integral multiples thereof, or (ii) \$100,000 and any \$1,000 integral multiple in excess thereof, as determined by the Clerk-Treasurer, with the advice of the Town’s financial advisor. The BANs shall be dated as of the date of delivery thereof and shall bear interest at a rate or rates not to exceed 3.5% per annum (the exact rate or rates to be determined through negotiations with the purchaser of the BANs) payable either upon maturity or redemption. The BANs may be payable in installments.

The BANs will mature over a period ending no later than five (5) years from their date of delivery, as determined by the Clerk-Treasurer at the time of the sale of the BANs. Any BANs which mature over a period less than five (5) years after their date of delivery shall be subject to renewal or extension for a term not exceeding five (5) years from the date of delivery of the BANs as originally issued. In the event of such renewal or extension, the interest rate or rates on the BANs as renewed or extended shall not exceed 3.50% per annum (the exact rate or rates to be negotiated with the purchaser of the BANs, as renewed or extended).

The BANs shall be registered in the name of the purchasers thereof. Interest on the BANs shall be calculated according to a 360-day calendar year containing twelve 30-day months.

The BANs shall be issued pursuant to IC 5-1.5-8-6.1 if sold to the Indiana Bond Bank or pursuant to IC 5-1-14-5 if sold to a financial institution. The Town shall pledge to the payment of the principal of and interest on the BANs the proceeds from the issuance of general obligation bonds pursuant to and in the manner prescribed by the Act.

Section 3. Issuance of Bonds. The Town shall issue and sell its general obligation bonds in the aggregate principal amount not to exceed One Million Nine Hundred Ninety-Five Thousand Dollars (\$1,995,000) to be designated "General Obligation Bonds, Series 2016" (the "Bonds"), for the purpose of procuring funds to apply on the cost of the Projects, including reimbursements to the Town, refunding the BANs, if issued, capitalized interest, if necessary, and issuance costs and other related costs.

The Bonds shall be issued and sold at a price not less than 99% of par value thereof. The Bonds shall be issued in fully registered form in denominations of (i) \$5,000 or integral multiples thereof or (ii) \$100,000 and any \$1,000 integral multiple in excess thereof, as determined by the Clerk-Treasurer, with the advice of the Town's financial advisor. The Bonds shall be numbered consecutively from 1 upward and originally dated as of their date of delivery. The Bonds shall bear interest at a rate or rates not exceeding 3.5% per annum (the exact rate or rates to be determined by bidding). Interest shall be payable semiannually on January 15 and July 15 in each year, commencing on either the first January 15 or the first July 15 following the date of delivery of the Bonds, as determined by the Clerk-Treasurer. Principal shall be payable in lawful money of the United States of America, at the principal office of the Paying Agent (as hereinafter defined) and such Bonds shall mature semiannually on January 15 and July 15, or be subject to mandatory sinking fund redemption on January 15 and July 15, over a period ending no later than January 15, 2021 and in such amounts that will enable the Town to achieve as level annual debt service as practicable.

All or a portion of the Bonds may be issued as one or more term bonds, upon election of the purchaser of the Bonds. Such term bonds shall have a stated maturity or maturities consistent with the maturity schedule determined in accordance with the preceding paragraph, on the dates as determined by the purchaser thereof, but in no event later than the last serial maturity date of the Bonds as determined in the preceding paragraph. The term bonds shall be subject to mandatory sinking fund redemption and final payment(s) at maturity at 100% of the principal

amount thereof, plus accrued interest to the redemption date, on principal payment dates which are hereafter determined in accordance with the preceding paragraph.

Interest on the Bonds shall be calculated according to a 360-day calendar year containing twelve 30-day months.

Section 4. Registrar and Paying Agent. The Clerk-Treasurer is hereby authorized to select and appoint a qualified financial institution to serve as Registrar and Paying Agent for the Bonds and the BANs, which Registrar is hereby charged with the responsibility of authenticating the Bonds (the “Registrar” or “Paying Agent”). The Clerk-Treasurer is hereby authorized to enter into such agreements or understandings with such institution as will enable the institution to perform the services required of a Registrar and Paying Agent. The Clerk-Treasurer is further authorized to pay such fees as the institution may charge for the services it provides as Registrar and Paying Agent, and such fees may be paid from the Bond Fund hereby established to pay the principal of and interest on the Bonds as fiscal agency charges. As to the BANs and as to the Bonds, if sold to a purchaser that does not object to such designation, the Clerk-Treasurer may serve as Registrar and Paying Agent and is, in such case, hereby charged with the duties of a Registrar and Paying Agent.

The principal of and premium, if any, on the Bonds shall be payable at the principal office of the Paying Agent and all payments of interest on the Bonds shall be paid by check mailed one business day prior to the interest payment date to the registered owners thereof, as of the first day of the month in which interest is payable (the “Record Date”), at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Paying Agent in writing by such registered owner on or before such Record Date. If payment of principal or interest is made to a depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time).

All payments on the Bonds and BANs shall be made in any coin or currency of the United States of America, which on the date of such payment, shall be legal tender for the payment of public and private debts.

Each Bond shall be transferable or exchangeable only upon the books of the Town kept for that purpose at the principal office of the Registrar, by the registered owner thereof in person, or by its attorney duly authorized in writing, upon surrender of such Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds in the same aggregate principal amount and of the same maturity shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The costs of such transfer or exchange shall be borne by the Town. The Town and the Registrar and Paying Agent for the Bonds may treat and consider the person in whose name such Bonds are registered as the absolute owner thereof for all purposes including

for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon.

Interest on all Bonds which are authenticated on or before the Record Date which precedes the first interest payment date shall be paid from their original date. Interest on Bonds authenticated subsequent to the Record Date which precedes the first interest payment date thereon shall be paid from the interest payment date to which interest has been paid as of the date on which such Bonds are authenticated, unless a Bond is authenticated between the Record Date and the interest payment date in which case the interest shall be paid from such interest payment date.

Section 5. Redemption of BANs. The BANs are prepayable by the Town, in whole or in part, on any date, upon seven (7) days' notice to the owner of the BANs, without any premium; provided, however, that if the BANs are held in book-entry form pursuant to Section 7 hereof, twenty (20) days' prior notice shall be required for redemption.

Section 6. Redemption of Bonds. The Bonds are not subject to optional redemption prior to maturity.

If any Bond is issued as a term bond, the Paying Agent shall credit against the mandatory sinking fund requirement for the Bonds maturing as term bonds, and corresponding mandatory redemption obligation, in the order determined by the Town, any Bonds maturing as term bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each Bond maturing as a term bond so delivered or canceled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of the Bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit only such Bonds maturing as term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date.

Each \$1,000 denomination amount shall be considered a separate Bond for purposes of optional and mandatory redemption. If less than an entire maturity is called for redemption, the Bonds to be called for redemption shall be selected by lot by the Registrar.

Notice of redemption shall be given not less than thirty (30) days prior to the date fixed for redemption unless such redemption notice is waived by the owner of the Bond or Bonds redeemed. Such notice shall be mailed to the address of the registered owner as shown on the registration record of the Town as of the date which is forty-five (45) days prior to such redemption date. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption may be determined by the Town. Interest on the Bonds so called for redemption shall cease on the redemption date fixed in such notice if sufficient funds are available at the place of redemption to pay the redemption price on the date so named.

Section 7. Book-Entry Provisions. The Town may, upon the advice of its financial advisor, have the Bonds held by a central depository system pursuant to an agreement between the Town and The Depository Trust Company, New York, New York (“DTC”) and have transfers of the Bonds effected by book-entry on the books of the central depository system. In such case, the Bonds shall be issued in the name of Cede & Co., as nominee for DTC, as registered owner of the Bonds, and held in the custody of DTC and the terms and conditions of this provision shall apply.

If the Bonds are held by DTC, a single certificate will be issued and delivered to DTC for each maturity of the Bonds. The actual purchasers of the Bonds (the “Beneficial Owners”) will not receive physical delivery of the Bond certificates except as provided herein. Beneficial Owners are expected to receive a written confirmation of their purchase providing details of each Bond acquired. For so long as DTC shall continue to serve as securities depository for the Bonds as provided herein, all transfers of beneficial ownership interests will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of the Bonds is to receive, hold, or deliver any Bond certificate.

For every transfer and exchange of the Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner’s allocable share of any tax, fee, or other governmental charge that may be imposed in relation thereto. Bond certificates are required to be delivered to and registered in the name of the Beneficial Owner, under the following circumstances:

- (i) DTC determines to discontinue providing its service with respect to the Bonds (such a determination may be made at any time by giving 30 days’ notice to the Town and the Registrar and discharging its responsibilities with respect thereto under applicable law), or
- (ii) the Town determines that continuation of the system of book-entry transfers through DTC (or a successor securities depository) is not in the best interests of the Beneficial Owners.

The Town and the Registrar will recognize DTC or its nominee as the holder of the Bonds for all purposes, including notices and voting. The Town and the Registrar covenant and agree, so long as DTC shall continue to serve as securities depository for the Bonds, to meet the requirements of DTC with respect to required notices and other provisions of a Letter of Representations between the Town and DTC. If necessary to comply with the terms and provisions of the Letter of Representations, a supplemental ordinance shall be adopted to amend this ordinance as necessary.

The Registrar is authorized to rely conclusively upon a certificate furnished by DTC and corresponding certificates from DTC participants and indirect participants as to the identity of, and the respective principal amount of Bonds beneficially owned by, the Beneficial Owner or Beneficial Owners.

The Town may, upon the advice of its financial advisor, have the BANs held in the custody of DTC. In such case, the aforementioned terms and conditions of this Section 7 shall apply to the BANs.

Section 8. Execution of Bonds and BANs; Security for the Bonds. The Bonds and BANs shall be signed in the name of the Town by the manual or facsimile signature of the President of the Town Council and attested by the Clerk-Treasurer, who shall affix the seal of said Town to each of said Bonds and BANs manually or shall have the seal imprinted or impressed thereon by facsimile. These officials, by the signing of a Signature and No Litigation Certificate, shall adopt as and for their own proper signatures their facsimile signatures appearing on said Bonds and BANs. In case any officer whose signature or facsimile signature appears on the Bonds or BANs shall cease to be such officer before the delivery of the Bonds or BANs, the signature of such officer shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery. The Bonds shall also be authenticated by the manual signature of an authorized representative of the Registrar and no Bond shall be valid or become obligatory for any purpose until the certificate of authentication thereon has been so executed.

The Bonds are, as to all the principal thereof and interest due thereon, general obligations of the Town, payable from *ad valorem* property taxes on all taxable property in the Town. The Town covenants that it will cause *ad valorem* property taxes for the payment of the principal of and interest on the Bonds to be levied, collected, appropriated and applied for that purpose.

Section 9. Form of Bonds. The form and tenor of the Bonds shall be substantially as follows, with such additions, deletions and modifications as the President of the Town Council and the Clerk-Treasurer may authorize, as conclusively evidenced by their signatures thereon, all blanks to be filled in properly prior to delivery thereof:

Form of Bond

[Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Registrar or its agent for registration or transfer, exchange or payment, and any bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.]

The Clerk-Treasurer is hereby authorized and directed to have said BANs and Bonds prepared, and the President of the Town Council and Clerk-Treasurer are hereby authorized and directed to execute said BANs and Bonds in the form and manner herein provided. The Clerk-Treasurer is hereby authorized and directed to deliver said BANs and Bonds to the respective purchasers thereof after sale made in accordance with the provisions of this ordinance, provided that at the time of said delivery the Clerk-Treasurer shall collect the full amount which the respective purchasers have agreed to pay therefor, which amount shall not be less than 99% of the face value of said BANs and not less than 99% of the face value of said Bonds, as the case may be. The Bonds herein authorized shall be binding general obligations of the Town. The Town may receive payment on the BANs and Bonds in installments. The proceeds derived from the sale of the Bonds shall be and are hereby set aside for application on the cost of the Projects hereinbefore referred to, the refunding of the BANs, if issued, to fund capitalized interest, if necessary, to reimburse the Town and the expenses necessarily incurred in connection with the issuance of the BANs and Bonds. The proper officers of the Town are hereby directed to draw all proper and necessary warrants, and to do whatever acts and things which may be necessary to carry out the provisions of this ordinance, including the construction of the Projects and the issuance of the Bonds and BANs.

The preparation and distribution of an official statement (preliminary and final) on behalf of the Town for the Bonds and BANs sold to a purchaser other than the Indiana Bond Bank is hereby authorized. The Town Council President and the Clerk-Treasurer are each hereby authorized and directed to execute the preliminary official statement on behalf of the Town in a form consistent with this ordinance and to designate the preliminary official statement as “nearly final” for purposes of Rule 15c2-12 of the Securities and Exchange Commission (the “SEC Rule”). If the Bonds or BANs will be sold to the Indiana Bond Bank, the Town Council President and the Clerk-Treasurer are each hereby authorized to provide information and materials to the Indiana Bond Bank relating to the Town and the Bonds or BANs, as the case may be, for inclusion in any official statement relating to any financing of the Indiana Bond Bank the proceeds of which will be used to acquire such Bonds or BANs.

Alternatively, in lieu of preparing and distributing an official statement, the Town may obtain a sophisticated investment letter from the purchaser of the Bonds or BANs at the time of delivery of the Bonds or BANs which satisfies applicable state and federal securities laws.

The Clerk-Treasurer, with the advice of the Town’s municipal advisor, is hereby authorized to obtain a rating for the Bonds if such rating will facilitate the sale of the Bonds.

Section 11. Bond Sale Notice. Unless sold to the Indiana Bond Bank, the Bonds will be sold at a competitive sale and, in such case, the Clerk-Treasurer shall cause to be published either (i) a notice of such sale in *The Lebanon Reporter* and *The Zionsville Times Sentinel*, two times,

at least one week apart, the first publication made at least fifteen (15) days before the date of the sale and the second publication being made at least three (3) days before the date of the sale, or (ii) a notice of intent to sell in the *Court & Commercial Record*, *The Lebanon Reporter* and *The Zionsville Times Sentinel* in accordance with IC 5-1-11 and IC 5-3-1. A notice of sale may also be published one time in the *Court & Commercial Record*, and a notice or summary notice may also be published in *The Bond Buyer* in New York, New York. The notice shall state the character and amount of the Bonds, the maximum rate of interest thereon, the terms and conditions upon which bids will be received and the sale made, and such other information as the Clerk-Treasurer and the attorneys employed by the Town shall deem advisable and any summary notice may contain any information deemed so advisable. The notice may provide, among other things, that the successful bidder will be required to provide a certified or cashier's check, or a surety bond, in an amount equal to 1% of the principal amount of the Bonds described in the notice and that in the event the successful bidder shall fail or refuse to accept delivery of the Bonds and pay for the same as soon as the Bonds are ready for delivery, or at the time fixed in the notice of sale, then said check and the proceeds thereof shall be the property of the Town and shall be considered as its liquidated damages on account of such default; that bidders for said Bonds will be required to name the rate or rates of interest which the Bonds are to bear, not exceeding the maximum rate hereinbefore fixed, and that such interest rate or rates shall be in multiples of one-eighth (1/8) or one-twentieth (1/20) of one percent (1%). The rate bid on a maturity shall be equal to or greater than the rate bid on the immediately preceding maturity. Bids on the Bonds may also be received electronically through PARITY or such other electronic bidding service acceptable to the Auditor, with the advice of the Town's financial advisor. No conditional bid or bid for less than 99% of the face amount of the Bonds will be considered. The opinion of Bose McKinney & Evans LLP, nationally recognized bond counsel of Indianapolis, Indiana, approving the legality of said Bonds, will be furnished to the purchaser at the expense of the Town.

The Bonds shall be awarded by the Clerk-Treasurer to the best bidder who has submitted its bid in accordance with the terms of this ordinance, IC 5-1-11 and the notice of sale. The best bidder will be the one who offers the lowest net interest cost to the Town, to be determined by computing the total interest on all of the Bonds of that series to their maturities, adding thereto the discount bid, if any, and deducting the premium bid, if any. The right to reject any and all bids shall be reserved. If an acceptable bid is not received on the date of sale, the sale may be continued from day to day thereafter without further advertisement for a period of thirty (30) days, during which time no bid which provides a higher net interest cost to the Town than the best bid received at the time of the advertised sale will be considered.

Section 12. Use of Proceeds. The accrued interest and any capitalized interest received at the time of the delivery of the Bonds and premium, if any, shall be deposited in the hereinafter described Bond Fund. The remaining proceeds from the sale of the Bonds, to the extent not used to refund BANs, and BAN proceeds shall be deposited in a bank or banks which are legally designated depositories for the funds of the Town, in a special account or accounts to be designated as "Town of Whitestown, Indiana, General Obligation Bond Construction Account" (the "Construction Account"). All funds deposited to the credit of the Bond Fund or Construction Account shall be deposited, held, secured or invested in accordance with the laws of the State of Indiana relating to the depositing, holding, securing or investing of public funds,

including particularly IC 5-13, and the acts amendatory thereof and supplemental thereto. The funds in the Construction Account shall be expended only for the purpose of paying the cost of the Projects, refunding the BANs, if issued, reimbursement to the Town, or as otherwise required by the Act or for the expenses of issuance of the Bonds or BANs. The cost of obtaining the legal services of Bose McKinney & Evans LLP shall be considered as a part of the cost of the Projects on account of which the BANs and Bonds are issued.

Any balance or balances remaining unexpended in such special account or accounts after completion of the Projects, which are not required to meet unpaid obligations incurred in connection with such Projects, shall either be paid into the Bond Fund and used solely for the purposes thereof or otherwise be applied in accordance with IC 5-1-13, as amended and supplemented.

The Town hereby declares its “official intent”, as such term is used in the Reimbursement Regulations, to reimburse the Town’s advances to the Projects, such advances from the Town’s General Fund, from proceeds of the BANs or the Bonds herein authorized by this ordinance. The Town reasonably expects to make such advances for the costs of the Projects.

Section 13. Covenant to Levy Tax; Bond Fund. In order to provide for the payment of the principal of and interest on the Bonds, the Town covenants that there shall be levied in each year upon all taxable property in the Town, real and personal, and collected an *ad valorem* tax in an amount and in such manner sufficient to meet and pay the principal of and interest on the Bonds as they come due. The proceeds of this *ad valorem* tax are hereby pledged solely to the payment of the Bonds and such *ad valorem* tax proceeds shall be deposited into the bond fund hereby created (the “Bond Fund”). The *ad valorem* tax proceeds deposited to the Bond Fund shall be used to pay the principal of and interest on the Bonds, when due, together with any fiscal agency charges.

Notwithstanding any other provision of this ordinance, the Town will enter into an agreement with the Registrar and Paying Agent in which the Registrar will agree that upon any default or insufficiency in the payment of principal of and interest on the Bonds as provided in this ordinance, the Registrar will immediately, without any direction, security or indemnity, file a claim with the Treasurer of the State of Indiana for an amount equal to the principal and interest in default and consents to the filing of any such claim by a bondholder in the name of the Registrar for deposit with the Registrar.

If the Clerk-Treasurer is designated as the Registrar and Paying Agent, the Town covenants, under IC 6-1.1-20.6-10, to determine if the Bond Fund has sufficient funds to pay the principal of and interest on the Bonds at least five (5) days before such payments are due. If the Bond Fund is not sufficient because of the operation of the tax credits granted under the provisions of IC 6-1.1-20.6, the Town agrees to have the Clerk-Treasurer (i) determine or cause to be determined the amount of the deficiency in the Bond Fund (the “Deficiency”) and (ii) immediately report and file a claim on behalf of the Town with the Treasurer of the State of Indiana for an amount equal to the Deficiency.

Section 14. Defeasance of Bonds. If, when any of the Bonds issued hereunder shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the Bonds or any portion thereof for redemption shall have been given, and the whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the Bonds or any portion thereof and coupons then outstanding shall be paid; or (i) sufficient moneys, or (ii) direct obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, the principal of and the interest on which when due will provide sufficient moneys, shall be held in trust for such purpose, and provision shall also be made for paying all fees and expenses for the redemption, then and in that case the Bonds issued hereunder or any designated portion thereof shall no longer be deemed outstanding or entitled to the pledge of the taxes to be levied upon all taxable property in the Town and the bondholders shall be entitled to look only to the trust for payment of the Bonds.

Section 15. Investments. The Bond Fund shall be deposited in and maintained as a separate account or accounts from all other accounts of the Town. All moneys deposited in the Bond Fund shall be deposited, held and secured as public funds in accordance with the public depository laws of the State of Indiana; provided that moneys therein may be invested in obligations in accordance with the applicable laws, including particularly IC 5-13, as amended or supplemented, and in the event of such investment the income therefrom shall become a part of the Bond Fund and shall be used only as provided in this ordinance.

Section 16. Tax Covenants. In order to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as existing on the date of issuance of the Bonds (the "Code") and as an inducement to purchasers of the Bonds, the Town represents, covenants and agrees that:

(a) The Projects will be available for use by members of the general public. Use by a member of the general public means use by natural persons not engaged in a trade or business. No person or entity other than the Town or another state or local governmental unit will use more than 10% of the proceeds of the Bonds or property financed by the Bond proceeds other than as a member of the general public. No person or entity other than the Town or another state or local governmental unit will own property financed by Bond proceeds or will have any actual or beneficial use of such property pursuant to a lease, a management or incentive payment contract, arrangements such as take-or-pay or output contracts or any other type of arrangement that conveys other special legal entitlements and differentiates that person's or entity's use of such property from use by the general public, unless such uses in the aggregate relate to no more than 10% of the proceeds of the Bonds, as the case may be. If the Town enters into a management contract for the Projects, the terms of the contract will comply with IRS Revenue Procedure 97-13, as it may be amended, supplemented or superseded for time to time, so that the contract will not give rise to private business use under the Code and the Regulations, unless such use in aggregate relates to no more than 10% of the proceeds of the Bonds.

(b) No more than 10% of the principal of or interest on the Bonds is (under the terms of the Bonds, this ordinance or any underlying arrangement), directly or indirectly, secured by an interest in property used or to be used for any private business use or payments in respect of any

private business use or payments in respect of such property or to be derived from payments (whether or not to the Town) in respect of such property or borrowed money used or to be used for a private business use.

(c) No more than 5% of the Bond proceeds will be loaned to any person or entity other than another state or local governmental unit. No more than 5% of the Bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the Bond proceeds.

(d) The Town reasonably expects, as of the date hereof, that the Bonds will not meet either the private business use test described in paragraphs (a) and (b) above or the private loan test described in paragraph (c) above during the entire term of the Bonds.

(e) No more than 5% of the proceeds of the Bonds will be attributable to private business use as described in (a) and private security or payments described in (b) attributable to unrelated or disproportionate private business use. For this purpose, the private business use test is applied by taking into account only use that is not related to any government use of proceeds of the issue (Unrelated Use) and use that is related but disproportionate to any governmental use of those proceeds (Disproportionate Use).

(f) The Town will not take any action nor fail to take any action with respect to the Bonds that would result in the loss of the exclusion from gross income for federal tax purposes on the Bonds pursuant to Section 103 of the Code, nor will the Town act in any other manner which would adversely affect such exclusion. The Town covenants and agrees not to enter into any contracts or arrangements which would cause the Bonds to be treated as private activity bonds under Section 141 of the Code.

(g) It shall not be an event of default under this ordinance if the interest on any Bond is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the Bonds.

(h) These covenants are based solely on current law in effect and in existence on the date of delivery of such Bonds.

(i) The Town represents that it will rebate any arbitrage profits to the United States of America, to the extent required by the Code.

(j) The Town represents that:

(i) The Bonds and the BANs are not private activity bonds as defined in Section 141 of the Code;

(ii) The Town hereby designates the Bonds and the BANs as qualified tax-exempt obligations for purposes of Section 265(b) of the Code;

(iii) The reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Town, and all entities subordinate to the Town, during 2016 does not exceed Ten Million Dollars (\$10,000,000); and

(iv) The Town will not designate more than Ten Million Dollars (\$10,000,000) of qualified tax-exempt obligations during 2016.

Therefore, the Bonds and the BANs qualify for the exception in the Code from the disallowance of 100% of the deduction by financial institutions of interest expense allocable to newly acquired tax-exempt obligations.

(k) The Town hereby adopts the Post Issuance Compliance Policy for Tax-Exempt Obligations (the “Compliance Policy”) attached hereto as Exhibit A as the Compliance Policy of the Town relating to post issuance compliance with applicable Code provisions concerning the Town’s outstanding tax-exempt obligations, including the Bonds.

Section 17. Contractual Nature of Ordinance. The provisions of this ordinance shall constitute a contract by and between the Town and the owners of the Bonds and BANs herein authorized, and after the issuance of said Bonds or BANs, this ordinance shall not be repealed or amended in any respect which will adversely affect the rights of the owners of said Bonds or BANs nor shall the Council adopt any law, ordinance or resolution which in any way adversely affects the rights of such owners so long as any of said Bonds, BANs or the interest thereon remain unpaid. Except for the changes set forth in Section 18(a)-(f), this ordinance may be amended, however, without the consent of BAN or Bond owners, if the Council determines, in its sole discretion, that such amendment would not adversely affect the owners of the BANs or Bonds.

Section 18. Amendments with Consent of Bondholders. Subject to the terms and provisions contained in this section, and not otherwise, the owners of not less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of the Bonds issued pursuant to this ordinance and then outstanding shall have the right, from time to time, anything contained in this ordinance to the contrary notwithstanding, to consent to and approve the adoption by the Council of such ordinance or ordinances supplemental hereto as shall be deemed necessary or desirable by the Council for the purpose of modifying, altering, amending, adding to or rescinding in any particular any of the terms or provisions contained in this ordinance, or in any supplemental ordinance; provided, however, that nothing herein contained shall permit or be construed as permitting:

- (a) An extension of the maturity of the principal of or interest on any Bond issued pursuant to this ordinance; or
- (b) A reduction in the principal amount of any Bond or the redemption premium or the rate of interest thereon; or
- (c) The creation of a lien upon or a pledge of the *ad valorem* taxes ranking prior to the pledge thereof created by this ordinance; or

- (d) A preference or priority of any Bond or Bonds issued pursuant to this ordinance over any other Bond or Bonds issued pursuant to the provisions of this ordinance; or
- (e) A reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance; or
- (f) The extension of mandatory sinking fund redemption dates, if any.

If the owners of not less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of the Bonds outstanding at the time of adoption of such supplemental ordinance shall have consented to and approved the adoption thereof by written instrument to be maintained on file in the office of the Clerk-Treasurer of the Town, no owner of any Bond issued pursuant to this ordinance shall have any right to object to the adoption of such supplemental ordinance or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Town or its officers from adopting the same, or from taking any action pursuant to the provisions thereof. Upon the adoption of any supplemental ordinance pursuant to the provisions of this section, this ordinance shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this ordinance of the Town and all owners of Bonds issued pursuant to the provisions of this ordinance then outstanding, shall thereafter be determined exercised and enforced in accordance with this ordinance, subject in all respects to such modifications and amendments. Notwithstanding anything contained in the foregoing provisions of this ordinance, the rights and obligations of the Town and of the owners of the Bonds authorized by this ordinance, and the terms and provisions of the Bonds and this ordinance, or any supplemental ordinance, may be modified or altered in any respect with the consent of the Town and the consent of the owners of all the Bonds issued pursuant to this ordinance then outstanding.

Excluding the changes set out in this Section 18(a)-(f), the Town may amend this ordinance without bondholder consent if the Town determines, in its sole discretion, that the amendment shall not adversely affect the rights of any of the owners of the Bonds.

Section 19. Issuance of BANs. The Town, having satisfied all the statutory requirements for the issuance of its Bonds, may elect to issue its BAN or BANs to a financial institution or the Indiana Bond Bank pursuant to a Bond Anticipation Note Purchase Agreement (the “Bond Anticipation Note Agreement”) to be entered into between the Town and the purchaser of the BAN or BANs. The Council hereby authorizes the issuance and execution of the BAN or BANs in lieu of initially issuing Bonds to provide interim financing for the Projects until permanent financing becomes available. It shall not be necessary for the Town to repeat the procedures for the issuance of its Bonds, as the procedures followed before the issuance of the BAN or BANs are for all purposes sufficient to authorize the issuance of the Bonds and the use of the proceeds to repay the BAN or BANs. The President of the Town Council and the Clerk-Treasurer are hereby authorized and directed to execute a Bond Anticipation Note Purchase Agreement in such form or substance as they shall approve acting upon the advice of counsel. The President of the Town Council and the Clerk-Treasurer may also take such other actions or deliver such other

certificates as are necessary or desirable in connection with the issuance of the BANs or the Bonds and the other documents needed for the financing as they deem necessary or desirable in connection therewith.

Section 20. Tax Exemption. Notwithstanding any other provisions of this ordinance, the covenants and authorizations contained in this ordinance (the “Tax Sections”) which are designed to preserve the exclusion of interest on the Bonds and BANs from gross income under federal law (the “Tax Exemption”) need not be complied with if the Town receives an opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.

Section 21. Debt Limit Not Exceeded. The Town represents and covenants that the Bonds herein authorized, when combined with other outstanding indebtedness of the Town at the time of issuance of the Bonds, will not exceed any applicable constitutional or statutory limitation on the Town’s indebtedness.

Section 22. Continuing Disclosure. In order for the purchasers of the Bonds to comply with the SEC Rule, the Town Council President and Clerk-Treasurer are each hereby authorized to execute and deliver an agreement by the Town to comply with the requirements of a continuing disclosure undertaking by the Town pursuant to subsection (b)(5) of the SEC Rule, and any amendments thereto from time to time (the “Continuing Disclosure Agreement”). The County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement.

Section 23. Conflicting Ordinances. All ordinances and parts of ordinances in conflict herewith are hereby repealed.

Section 24. Severability. If any section, paragraph or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this ordinance.

Section 25. Effective Date. This ordinance shall be in full force and effect from and after its passage.

Adopted this ____ day of May, 2016.

EXHIBIT A

TOWN OF WHITESTOWN, INDIANA

Post-Issuance Compliance Policy for Tax-Exempt Qualified Obligations

Statement of Purpose

This Post-Issuance Compliance Policy (the “Policy”) sets forth specific policies of the Town of Whitestown, Indiana (the “Issuer”) designed to monitor post-issuance compliance of tax-exempt qualified obligations¹ (the “Obligations”) issued by the Issuer, including its General Obligation Bonds, Series 2016, with applicable provisions of the Internal Revenue Code of 1986, as amended (the “Code”), and regulations promulgated thereunder (the “Treasury Regulations”). The Policy documents existing practices and describes various procedures and systems designed to identify on a timely basis facts relevant to demonstrating compliance with the requirements that must be satisfied subsequent to the issuance of Obligations in order that the interest on such Obligations be, or continue to be, or would be but for certain provisions of the Code, excludable from gross income for federal income tax purposes. The Issuer recognizes that compliance with applicable provisions of the Code and Treasury Regulations is an on-going process, necessary during the entire term of the Obligations, and is an integral component of the Issuer’s debt management. Accordingly, the analysis of those facts and implementation of the Policy will require on-going monitoring and consultation with bond counsel.

This Policy also sets forth certain procedures in respect of assuring continued compliance by the Issuer with continuing disclosure obligations in respect of its outstanding Obligations under Rule 15c2-12 (17 CFR Part 240, §240.15c2-12) (“Rule 15c2-12”) promulgated by the Securities and Exchange Commission (the “SEC”) pursuant to the Securities and Exchange Act of 1934, as amended, together with all interpretive guidance or other official interpretations or explanations thereof that are promulgated by the SEC.

Policy Components

The Clerk-Treasurer of the Issuer (the “Fiscal Officer”) approves the terms and structure of Obligations executed by the Issuer, which Obligations are ultimately subject to the approval of the Town Council of the Issuer. Such Obligations are issued in accordance with the provisions

¹ For purposes of the Policy, tax-exempt qualified obligations shall include (a) obligations the interest on which is excludable from gross income for federal income tax purposes pursuant to the Internal Revenue Code of 1986, as amended, and regulations thereunder (collectively, the “Code”) (“tax-exempt obligations”), and (b) obligations the interest on which is not excludable from gross income for federal income tax purposes, but federal law otherwise requires such obligations to satisfy requirements of the Code applicable to tax-exempt obligations. For example, Section 54AA of the Code, added by the American Recovery and Reinvestment Act of 2009, authorizes the issuance of “Build America Bonds,” the interest on which is includible in gross income for federal income tax purposes, provided that (a) the interest on the bonds would, but for such Section 54AA, be excludable from gross income for federal tax purposes under Section 103 of the Code, (b) such bonds are issued before January 1, 2011, and (c) the Issuer makes an irrevocable election to have Section 54AA apply. Accordingly, the Policy will apply to any Build America Bonds issued by the Issuer.

of the Code of the applicable State of Indiana code section. Specific post-issuance compliance procedures address the relevant areas described below. The following list is not intended to be exhaustive and further areas may be identified from time to time by the Fiscal Officer in consultation with bond counsel.

General Policies and Procedures

The following policies relate to procedures and systems for monitoring post-issuance compliance generally.

- A. The Fiscal Officer shall be responsible for monitoring post-issuance compliance issues.
- B. The Fiscal Officer will coordinate procedures for record retention and review of such records.
- C. The Fiscal Officer will review post-issuance compliance procedures and systems on a periodic basis, but not less than annually.
- D. Electronic media will be the preferred method for storage of all documents and other records maintained by the Issuer. In maintaining such electronic storage, the Fiscal Officer will comply with applicable Internal Revenue Service (the “IRS”) requirements, such as those contained in Revenue Procedure 97-22.

Issuance of Obligations

The following policies relate to the issuance of a specific issue of Obligations.

The Fiscal Officer will:

- A. Obtain and store a closing binder and/or CD or other electronic copy of the relevant and customary transaction documents.
- B. Confirm that bond counsel has filed the applicable information report (e.g., Form 8038-G, Form 8038-CP) for such issue with the IRS on a timely basis.
- C. Coordinate receipt and retention of relevant books and records with respect to the investment and expenditure of the proceeds of such Obligations with other applicable Issuer staff.

Arbitrage

The following policies relate to the monitoring and calculating of arbitrage and compliance with specific arbitrage rules and regulations.

The Fiscal Officer will:

- A. Coordinate the tracking of expenditures, including the expenditure of any investment earnings, with other applicable Issuer staff.
- B. Obtain a computation of the yield on such issue from the Issuer's financial advisor for such issuance or other outside arbitrage rebate specialist) and maintain a system for tracking investment earnings.
- C. Maintain a procedure for the allocation of proceeds of the issue and investment earnings to expenditures, including the reimbursement of pre-issuance expenditures.
- D. Coordinate with Issuer staff to monitor compliance by departments with the applicable "temporary period" (as defined in the Code and Treasury Regulations) exceptions for the expenditure of proceeds of the issue, and provide for yield restriction on the investment of such proceeds if such exceptions are not satisfied.
- E. Ensure that investments acquired with proceeds of such issue are purchased at fair market value. In determining whether an investment is purchased at fair market value, any applicable Treasury Regulation safe harbor may be used.
- F. Coordinate to avoid formal or informal creation of funds reasonably expected to be used to pay debt service on such issue without determining in advance whether such funds must be invested at a restricted yield.
- G. Consult with bond counsel prior to engaging in any post-issuance credit enhancement transactions.
- H. Identify situations in which compliance with applicable yield restrictions depends upon later investments and monitor implementation of any such restrictions.
- I. Monitor compliance of the Issuer with six-month, 18-month or 2-year spending exceptions to the rebate requirement, as applicable.
- J. Procure a timely computation of any rebate liability and, if rebate is due, to file a Form 8038-T and to arrange for payment of such rebate liability.
- K. Arrange for timely computation and payment of "yield reduction payments" (as such term is defined in the Code and Treasury Regulations), if applicable.
- L. In the case of any issue of refunding Obligations, coordinate with the Issuer's financial advisor and any escrow agent to arrange for the purchase of the refunding escrow securities, obtain a computation of the yield on such escrow

securities from Treasury's external source and monitor compliance with applicable yield restrictions.

Private Activity Concerns

The following policies relate to the monitoring and tracking of private uses and private payments with respect to facilities financed with the Obligations.

The Fiscal Officer will:

- A. Coordinate with staff to maintain records determining and tracking facilities financed with specific Obligations and in what amounts.
- B. Coordinate with applicable staff to maintain records, which should be consistent with those used for arbitrage purposes, to allocate the proceeds of an issue and investment earnings to expenditures, including the reimbursement of pre-issuance expenditures.
- C. Coordinate with applicable staff to maintain records allocating to a project financed with Obligations any funds from other sources that will be used for otherwise non-qualifying costs.
- D. Coordinate with staff to monitor the expenditure of proceeds of an issue and investment earnings for qualifying costs.
- E. Coordinate with applicable staff to monitor private use of financed facilities to ensure compliance with applicable percentage limitations on such use. Such monitoring should include the following:
 - 1. Procedures to review the amount of existing private use on a periodic basis; and
 - 2. Procedures for identifying in advance any new sale, lease or license, management contract, sponsored research arrangement, or other arrangement involving private use of financed facilities and for obtaining copies of any sale agreement, lease, license, management contract, research arrangement or other arrangement for review by bond counsel.
- F. Consult with bond counsel as to any possible private use of financed facilities.

Reissuance

The following policies relate to compliance with rules and regulations regarding the reissuance of Obligations for federal law purposes.

The Fiscal Officer will:

- A. Identify and consult with bond counsel regarding any post-issuance change to any terms of an issue of Obligations which could potentially be treated as a reissuance for federal tax purposes.
- B. Confirm with bond counsel whether any “remedial action” in connection with a “change in use” (as such terms are defined in the Code and Treasury Regulations) would be treated as a reissuance for tax purposes and, if so, confirm the filing of any new Form 8038-G.

Record Retention

The following policies relate to retention of records relating to the Obligations issued.

The Fiscal Officer will:

- A. Coordinate with staff regarding the records to be maintained by the Issuer to establish and ensure that an issue remains in compliance with applicable federal tax requirements for the life of such issue.
- B. Coordinate with staff to comply with provisions imposing specific recordkeeping requirements and cause compliance with such provisions, where applicable.
- C. Coordinate with staff to generally maintain the following:
 - 1. Basic records relating to the transaction (e.g., any non-arbitrage certificate, net revenue estimates and the bond counsel opinion);
 - 2. Documentation evidencing expenditure of proceeds of the issue;
 - 3. Documentation regarding the types of facilities financed with the proceeds of an issue, including, but not limited to, whether such facilities are land, buildings or equipment, economic life calculations and information regarding depreciation;
 - 4. Documentation evidencing use of financed property by public and private entities (e.g., copies of management contracts and research agreements);
 - 5. Documentation evidencing all sources of payment or security for the issue; and
 - 6. Documentation pertaining to any investment of proceeds of the issue (including the purchase and sale of securities, SLGs subscriptions, yield calculations for each class of investments, actual investment income received by the investment of proceeds, guaranteed investment contracts, and rebate calculations).

- D. Coordinate the retention of all records in a manner that ensures their complete access to the IRS. While this is typically accomplished through the maintenance of hard copies, records may be kept in electronic format so long as applicable requirements, such as Revenue Procedure 97-22, are satisfied.
- E. Keep all material records for so long as the issue is outstanding (including any refunding), plus eleven years.

Continuing Disclosure

The Fiscal Officer shall determine with respect to each outstanding Obligation the applicability of Rule 15c2-12 to such Obligation. The Fiscal Officer shall periodically determine whether all required filings under any continuing disclosure agreements for Obligations covered by Rule 15c2-12 have been filed with the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access System (“EMMA”) and, if applicable, the State Information Depository (“SID”), but in any event no less than semiannually. The Fiscal Officer shall assure that timely filings are made to the EMMA and, if applicable the SID, of all required filings including, specifically, annual financial information and disclosure of certain events in respect of Obligations subject to Rule 15c2-12, all in accordance with the applicable continuing disclosure agreement for such Obligations.
